### ***Commodore Greeting***

We are once again focused on getting our camps open, boats and docks into the water, and scheduling our summer time at Cranberry Lake. Take a moment to fill in your calendars with the boat club activities and invite your Adirondack friends and neighbors to join you. I look forward to seeing you all again as we continue to evolve as a club and begin a partnership with HUB.

### ***Membership 2019***

Your Membership Renewal form should be mailed to our Cranberry Lake Post Office Box at this time. The form with this address is available on our website (<http://www.cranberrylakeboat.club> or, as an attachment to this newsletter. Remember that you might also consider a contribution to our Community Improvement Fund (CIP). This is the financial part of our club that supports community projects. Look at the March newsletter for last year's list of projects that CLBC supported and some ideas for this upcoming year.

### ***Dockage at HUB***

The Presbyterian Church is now being called "The Hub". Officially, it is the Cranberry Lake North Shore Hub Inc. Together, the CLBC and Hub hope to have an 8-slip dock installed in **early August**. Our dock along with additional sections will be available for all to use with the same guidelines as we have used in the past. Please respect the neighboring properties and report any violations to me.
